Need Harmony. Thanking the meeting for the honor hat had been given him, Chairman sames went on to say that at the wesent time there are in the city and the company of Norwich not more than four republican office holders. This condition of affairs is the only thing that has not been charged against President Taft by his opponents, since the beginning of the campaign. We, as republicans, are solely responsible. If we would but pull together, and werk together, and use one lots of the force and push displayed by you in your efforts to get the Thermos Bottle Co. to come to Norwich, we would win everything in sight. We are going to win and I will tell you why. You may have noticed by the papers that the Tammany democrats to the number win and I will tell you why. You may have noticed by the papers that the rammany democrats to the number of 2,000 to 2,500, who are to attend the democratic convention to be held in Reltimore next June, are not going to put up at the hotels, but are to lodge on steambouts and barges on the placid waters of Chesapeake bay. the placid waters of Chesapeake hay.

And I say to you that it is a sure sign when you see democrats take to water that they know they are licked before they start. The people of this country are thinking carefully and deeply, and I am sure will vote right.
